#### Notes:

- PF12 (2004), PF14 (2004) and PF46 (2004) are currently not available for submission on ePatents. They can be submitted via the Service Bureau (SB) without the need to submit the Service Bureau Request Form, as the SB surcharges will be waived. However, applicants are to enclose together with their submissions, a copy of the Waiver Request Form.
- PF11B (2004) is currently not available for submission on ePatents. It can be submitted via the SB. As there is no official fee for submission, there are no SB surcharges.
- PF13 and PF13A are currently available for submission on ePatents via EPP but not OIS. They can be submitted via the SB. As there are no official fees for submission, there are no SB surcharges.
- PF11A, PF11B and PF11C (2004) are available for submission on ePatents. They can be submitted via the SB. As there are no official fees for their submission, there are no SB surcharges.

5. PF9A (2004), PF54 (2004) and PF55 will not be made available for submission on ePatents. They are treated as manual submissions. The Service Bureau surcharges do not apply.
